

Apply today to be a NASA Intern!

Fall 2020 Application Deadline: **July 6, 2020**
(Fall Internships will be virtual)

Spring 2021 Application Deadline:
November 1, 2020

NASA Internships are competitive awards to support educational opportunities that provide unique NASA-related research and operational experiences for high school, undergraduate, and graduate students, as well as educators. These opportunities serve students by integrating interns with career professionals emphasizing mentor-directed, degree-related tasks, while contributing to the operation of a NASA facility or the advancement of NASA's missions. The fall and spring internships are 16 weeks in duration.
